

Please carefully read your Will and only sign it if you are sure that it is correct.

Executing your Will

The testator and all witnesses must use the same colour ink when signing. All signatures should be made in ink or by ball point pen.

You must sign your Will in the presence of two independent witnesses aged over 18 years. These should NOT be:

- Blind
- Beneficiaries in your Will
- Spouses or Civil Partners of Beneficiaries in your Will
- Anyone related to you or any other beneficiary in your Will

Your witnesses do not need to know the content of your Will.

Procedure

All three of you must remain present at the same time until the following procedure has been completed:

1. You should date the Will as shown in the example below.
2. You should sign your name with your usual signature at the end of the Will as shown in the example below.
3. Each witness should then sign his or her name where indicated and print their full names, addresses and occupations where provided.
4. **DO NOT make any alterations or amendments by hand to your Will.** If you have made a mistake then please contact us for further instructions.
5. You should ensure that you keep your Will in a safe place and let your Executor(s) know where it is located. **DO NOT PIN OR CLIP ANY LETTER OR NOTE TO YOUR WILL.**

If you require any further assistance in signing your Will please contact Winn Legal.
